

Village Preschool Academy

December 2022

'Tis the Season for Giving!

I would like to thank each and every family and staff member for giving so generously this past month to our annual food drive.

I am so proud to work at a center where we pride ourselves on not only education, but giving back, and educating the children about the world around us and the importance of helping our community.

This month we hope to host a "Wish Tree" for the Salvation Army, for their Adopt-a-Family program. If you would like to make a donation or be involved in anyway please see the office for further information.

Monthly Learning Concepts

This month the children will be focusing on:

Winter Bears— this week, the children will talk about different types of bears, hibernation, and even end the week with their very own Teddy Bear Picnic!

Colors of the Season— teachers will go over the colors Green, White, Silver, and Gold and relate them to iconic symbols of the holiday season.

Christmas Around the World— classrooms will discuss holiday traditions from around the world, and what important influences each country's Holiday has had on the traditions we all know here in America.

Holiday Celebrations- the last week of the month will be a short week devoted to celebrating the end of the holiday season, Christmas, Hanukkah, Kwanzaa, and we will end with a New Year's Eve Pre-Party!

Winter Wonderland-during the holiday break classrooms will enjoy learning about snow, icicles and snowman

Winter Recital

Wednesday, December 15th at 10:00 will be our Winter recital! All children will be performing with their classes, as well as performances from our Dance Classes.

All parents, friends, and family members are invited to attend this fun celebration of the Holiday Season!

We appreciate your participation and look forward to sharing the Holiday Season with you!
