This establishment is an equal opportunity employer and provider.

I would like to thank each and every family and staff member for giving so generously this past month to our annual food drive.

I am so proud to work at a center where we pride ourselves on not only education, but giving back, and showing children about the world around us and the importance of helping the community.

This month we will be hosting a Toy Drive. If you would like to make a donation drop off boxes will be in the office.

Monthly Learning Concepts

This month the children will be focusing on:

Winter Bears– this week, the children will talk about different types of bears, hibernation, and end the week with their very own Teddy Bear Picnic!

Colors of the Season– teachers will go over the colors Green, White, Silver, and Gold and relate them to iconic symbols of the holiday season.

Christmas Around the World– classrooms will discuss holiday traditions from around the world, and what important influences each these traditions have on the culture.

Holiday Celebrations- this short week will be devoted to celebrating the end of the holiday Seasons; Christmas, Hanukkah, and Kwanzaa.

Winter Wonderland-the last week of the month we will be learning about snow, icicles and different structures that can be created with ice. We will end the week with a New Year's Eve Pre-Party!
